

Your residents hate moving.

Finally, you can help.

Updater will help your residents save time on dreaded moving tasks, including:

Forwarding mail with the USPS for free

Notifying any of over 10,000 accounts and records

Transferring and connecting utilities and home services

Sending digital moving announcements to friends and family

What makes Updater a must-have for your apartment community?

Improve new resident satisfaction from day one

Increase brand awareness through moving announcements

Drive revenue through your rental insurance and digital service partners
